### Product Quality - Information according Article 33 No. 1 REACH-Regulation

Dear Sir, Madam

The European Regulation (EC) No. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) entered into force on June 1st 2007.

According to Art 33 No. 1 REACH your company being a supplier of an article shall provide companies of AIRBUS Defence & Space (see page 2) as a recipient of that article with sufficient information as far as the article contains a substance of very high concern (SVHC) listed on the candidate list published by the European Chemicals Agency (ECHA) <https://www.echa.europa.eu/candidate-list-table> in a concentration above 0.1 % weight by weight (w/w).

The information on SVHC-containing articles should be provided based on our SVHC-data-format, which can be downloaded under <http://www.airbus.com/be-an-airbus-supplier.html> Airbus DS REACH Supplier Questionnaire).

As there is no statutory information duty for your company as long as no SVHC listed on the candidate list are contained in articles provided to us, we keep on assuming the absence of such SVHC with respect to articles delivered without any information acc. to Art. 33 REACH.

In order to ensure that the communication requirements regarding the obligations resulting from Art. 33 No. 1 REACH will be followed, we kindly ask you to return this document and, if applicable, the SVHC-data-format after having duly signed the acknowledgement of receipt within two days by e-mail to [REACH.AirbusDS@airbus.com](mailto:REACH.AirbusDS@airbus.com).

Yours sincerely,

Michael Clauß  
Head of Airbus DS Regulatory Compliance

Ignacio Armero-Abad  
Head of Procurement Compliance, Regulations & Risks

**Acknowledgement of receipt:** \_\_\_\_\_
